

STAMFORD PUBLIC SCHOOL FAMILIES

Need info in an emergency?

Wondering if school is cancelled or delayed?

YOU HAVE OPTIONS!

1 ParentLink

ParentLink is an automated call-out service that will notify you in the event of a school cancellation, delay, emergency, or important reminder.

In the event of early morning emergencies, such as school cancellations or delays, ParentLink will call your home phone number. If an emergency takes place during the school day, ParentLink will call ALL emergency numbers you provide. Please be sure your emergency numbers are up to date at all times. Report any changes in writing to your school's main office.
